

Email Account List

Use this page to set up the Web email accounts you have purchased. You may also purchase additional email accounts from this page. Email accounts are normally active within 30 minutes of completing the setup process. For further instructions on how to access your email accounts, please click on the link next to: “General Guidelines for setting up your email client.”

There are three Email account options:

- Junior - 1 mailbox with 5MB of storage, comes with SMTP relay, Spam Xploder, and Webmail
- Deluxe - Up to 5 mailboxes with 50MB of total storage, comes with SMTP relay, Spam Xploder, and Webmail
- Business - Up to 50 mailboxes with 250MB of total storage, comes with SMTP relay, Spam Xploder, and Webmail

Note: You must have a registered domain name in order to set up an email account.

Manage Email Accounts
The email plans you have purchased are listed below:

- Click Setup Account to create a new address. Once created, addresses will be listed beneath the plan to which they belong.
- You may change an address from one plan to another that you have purchased at any time by clicking Move.
- To edit an account or change its password, just click its address in the list below.
- **Upgrading your account?** Click the upgrade link next to the plan you'd like to add space to.
