

## Verify Email Address

A message containing the Customer Number will be sent to the email address on file for this account. The name on the email address is masked with \*\*\*\* for security purposes. However, the rest of the email address is visible, for example \*\*\*\*@**email.com**.

The number of \* corresponds to the number of characters in the name of the email address, for example, **John@email.com** is \*\*\*\*@**email.com**, while **Jennifer@email.com** is \*\*\*\*\*@**email.com**.
